-----Oct 21st-----

[9:30 – 9:45 am] Welcome/Introductions/Emergency Procedures

This will be a PAPERLESS meeting.

Thank you to Seattle City Light for hosting this meeting!!!

- SCL: Review restroom locations and emergency exit procedures.
- Introduction of attendees.
- Purpose of the PWPUWG

- a. *Ensure the WECC power flow and stability computer programs meet the needs of the user.*
- b. *Facilitate opportunities for training using the PowerWorld Corporation's PowerWorld Simulator (PWS) program.*
- c. *Find ways to make the program user more productive, for example, through the sharing of SIMAUTO based scripts (i.e. MS-COM), *.aux files, and other programming techniques.*
- d. *Provide a forum for users to share information and exchange ideas on use of the PWS program.*

[9:45 am] - Bug Reporting, Patches, Support, On-Line Training

Support: (see <http://www.powerworld.com/company/customer-support>)

Patches: (see <http://www.powerworld.com/DOWNLOAD/patches.asp>),

All training now available on-line (see <http://www.powerworld.com/training/online-training>)

[9:45 –10:45 am] - Round Table Discussion (All)

- *Changes / Upcoming Features (PW)*
- *Version and Patch Testing (PW & ALL)*
